RESPONSE TO AMENDMENT

1. Claims 1-22 are pending in the application, claims 19 and 20 have been withdrawn from consideration.

REJECTIONS

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 112

3. Claims 1-18, 21 and 22 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The limitation “large foam cells that have diameters substantially larger on average than those of the fine foam cells” is unclear and renders the claims vague and indefinite. It is unclear from the claim language if the large foam cells are larger in diameter than the fine foam cells or if the size range of the large foam cells overlap the size of the fine foam cells.

4. Claims 1-18, 21 and 22 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

ANSWERS TO APPLICANT'S ARGUMENTS

5. Applicant's arguments in response filed February 3, 2006 regarding the previous rejections of record have been considered but are moot due to the new grounds of rejection.
